### **BURIAL REGISTER 1830-1844**

### PRONI MIC/1/51

The 1830-1844 Burial Register of Galloon is divided into two parts. The first is the printed pro forma Burial Register. The second part starting from page 17 to 42 has been used to record the Marriages from 1838-1845 (sic).

The PRONI Catalogue records this volume as being from 1830-1844, whereas in reality in finishes in 1845.

There are usually three burials per space. The numbering of the burials only occurred on the first page.
